LADIES' DRESSES.

A NEW ERA.

We believe we have overcome the chief objection to buying Ready-Made Dresses. Correct women dislike the flimsy, ill-shaped, factory-like look of Ready-Made Dresses that are sold by the dry goods houses, albeit the material employed might be fair enough.

And, worst of all, the contrast a new, approved design appears anywhere suddenly manufactures duplicate and flood the market with it, therefore destroying the real value to a woman of exclusive taste.

Different hereafter. We are going to utilize our magnificently equipped workrooms and superior corps of designers, fitters, and so forth, to make up Street and House Dresses ready for your selection, with as much care and artistic precision as we bestow on special orders.

FOR ILLUSTRATION:

Materials are our own, selected right in the store—best beyond a doubt. Every buttonhole of the Dress is as carefully done as the costliest special order.

Again, while the skirt is made up, the waist isn't. That we make to your measure, guaranteed a fit. Price of waist is included in the price of the dress. Never wrong basque in the two styles alike. None duplicated. The strongest of all is that the price of the whole dress, complete, is as low as if you made the dress at home yourself.

We place on sale tomorrow 500 Silk & Wool Costumes (unmade), imported direct from Berlin, Germany, at

Worth from $12 to $18 Each.

Paris Unmade Costumes at Half-Price

We have about 150 Paris Costumes which, compared with above, are entirely out of proportion. In order to equalize values we have cut them in two, and offer all our finest

FRENCH VELVET COMBINATIONS AT $12.

These we sold from $18.00 to $25.

Our $18.00 and $20.00 Costumes at $10.00.
Our $15.00 Costumes at $8.00.
Our $12.00 Costumes at $6.00.

"We confidently assert that no such value in Dress Fabrics was ever offered by any house. The lot of Berlin Suits arrived too late in the country, and the importers refused to accept them. We offered a price for the lot and got them. On the Paris Suits we take our own loss, as stated above.

In view of the ridiculous, absurd, and untrue statements indulged in by certain houses, we desire the above few words pertinent. "We advertise positive facts, nothing else, and always back up every statement we make, never claiming more for the goods than actual value or as sold by competing houses.

HANDKERCHIEFS.

No house on the street shows as handsome a $5 cent Handkerchief as we do, but we DO NOT sell a handkerchief for 25 cents the real value of which is $5.00.

How Some Men of a Reforming Disposition Have Been Put Away.

Within the Southern and Eastern Who Have Been Running Things with a High Hand—A Worthy Example to a Deserving Mayor—The Methods to Be Used.

Many of both sexes have been assembled in police court. The saving "crowd on" has been heard, and the unfortunate, the morally diseased, the criminal, the petty offender and the hardened have been brought up in a single batch to be sent to another place. A number of the cases having been disposed of, and others remaining, the court officials, with an eye to the clock, have been wondering how much longer they would be kept at their posts. Then there has been a rush of late comers, and the court officials have had to begin all over again. Then the police have been called upon to bring in more people

Houses Open and Ready for Inspection!

Have You Seen This Wonderful Suburb?

IF YOU HAVE you need not read the description. For the benefit of those who have not had this privilege we give a brief description of THE GREAT ELECTRIC-LIGHTED SUBURB OF EDGEWATER.

The houses are Queen Anne and Colonial, built in various designs. The interiors are finished in the most elegant manner, and arranged for comfort and convenience, and no expense spared to make them PERFECT.

The Edison Incandescent Electric Light has been introduced in the houses and streets.

The dwellings have lights in all the rooms, halls, cellars, and attics, and an arrangement that they can be regulated to use one or more lights by the use of a switch.

A few houses will be sold at cost, and the ground at a price that makes it the cheapest choice residence property in Cook County. Lots sold to those who prefer to build. All residents of Edgewater own their homes.

REMEMBER—No assessments to pay at Edgewater, as every improvement is made and maintained here all the conveniences found in Chicago.

AN AGENT CAN BE FOUND AT THE STATION AT ALL TIMES TO SHOW THE HOUSES. Call at my office and I will be pleased to take you to Edgewater.
